

# Recreational sector engagement timeline 2022

### Stage 1

### **Development framework**

DPIRD engages with Recfishwest to develop framework for initial sector consultation on management approaches.

## Stage 3

#### **Develop proposals**

Recfishwest - engage expert working group, analyse outcomes of consultaton phase 1 and make recommendations. DPIRD - work with Recfishwest to develop draft management package.

# Stage 5

# Finalise management package

DPIRD consider outcomes of consultation phase 2 and finalise managment package in consultation with Recfishwest, for Ministerial approval and announcement.

## Stage 7

#### **Implementation**

Legislation to give effect to approved management package and management changes implemented over the summer of 2022/23.

## Stage 2

### **Consultation phase 1**

Recfishwest leads consultation process seeking recreational fishers' ideas and views on primary and supporting management measures.

## Stage 4

### **Consultation phase 2**

DPIRD, supported by Recfishwest, conducts 6 week public consultation on proposed management package.

# Stage 6

### **Education phase**

DPIRD draft implementation legislation and communicate the approved management packages to fishers ahead of its implementation.

Note: The commercial and charter sectors are being reviewed using a similar process and timeframe
