

1. FishCatchWA™ tool Privacy

Introduction

This privacy statement applies to the FishCatchWA™ tool on the ServiceWA application, which is run by the Department of the Premier and Cabinet on behalf of the Department of Primary Industries and Regional Development. If you follow a link from the FishCatchWA™ tool to another site, we recommend you read and consider the privacy statement of that site.

Collection of personal information

You can browse the general content of the FishCatchWA™ tool anonymously, without disclosing your personal identity information except for your residential postcode.

Use and disclosure of personal information

Any personal information we collect through the FishCatchWA™ tool may be used or disclosed for the primary purpose for which it was collected. Catch information provided to the FishCatchWA™ tool is treated in accordance with the *Fish Resources Management Act 1994*. In some limited circumstances we may also need to use or disclose personal information for other specific purposes, for example where required to do so by law, for example pursuant to the *Freedom of Information Act 1992* or in response to a subpoena.

Collection and use of FishCatchWA™ tool visit data

The following information may be automatically recorded by the FishCatchWA™ tool for statistical and system administration purposes only:

- Your server address.
- The date and the time of your visit to the service.
- Your operating system.

We will not attempt to identify individuals from the above information unless that is necessary to investigate a breach of law or regulation. You may contact us at fishcatchwa@dpird.wa.gov.au for further information.
